## USTA League Growth Initiative

The League Growth Initiative is a program in the USTA Southern Section designed to bring beginner players into USTA League. Anyone who starts a new team at the 2.0, 2.5 or 3.0 level is eligible for a \$200 incentive and entered in a drawing for a trip for two to the 2012 US Open.

**Why?** Beginner players are crucial to USTA League growth.

**What programs are included?** USTA Adult, Senior and Super Senior programs. The first 530 new teams in the USTA Southern Section are eligible.

**What constitutes a “new team”?** A 2.0, 2.5 or 3.0 team that has at least 6 new players that have not played Adult, Senior or Super Senior.

**What constitutes a “new player”?** A new player will be identified as one that has an “S” rating on the roster.

**Who is qualified to start a team?** Anyone that starts a team would qualify for the payout. This could include a pro, a LLC, a facility manager, a captain, or just a tennis enthusiast.

**Can a player be counted in two leagues?** No, a player is only eligible to be counted one time. If they are resubmitted on another form they will not count towards the six players to constitute a new team.

**When can I start recruiting new teams?** The first 2011 registrations begin November 1<sup>st</sup> and submissions will be accepted at that point for the 2011 league year. Early Start Leagues will run on a 2011 calendar year cycle.

**How do I submit a claim?** Fill out the attached form and submit to your state office for verification via fax, mail or email. After TennisLink records are referenced your state office will mail out incentives. Please note checks are mailed once per month.
